Election Year 2018

Mountain Bears Democratic Club was founded in 2004. We are located in the San Bernardino Mountains of Southern California. We hope to do our part to inform and educate the public and bring newcomers to the party by registering new Democrats. The Democratic Party believes that the American Dream should be within the reach of all people. We welcome and encourage people from all walks of life to join us in discussion and debate regardless of one's political affiliations.

We PROUDLY Marched in the Blue Jay Parade

Buzz did a great job chairing the committee that made our participation in the parade a success! We **PROUDLY** walked the parade route and were thrilled with the overwhelming **POSITIVE** response from many citizens that lined the street! We were loudly applauded throughout the entire parade with some citizens coming out to give us hugs! Kids gobbled up the candy canes we handed out and so many adults wanted a copy of the Constitution that we proffered that we ran out of both items by the end of the parade!
