Election Year 2018

Mountain Bears Democratic Club was founded in 2004. We are located in the San Bernardino Mountains of Southern California. We hope to do our part to inform and educate the public and bring newcomers to the party by registering new Democrats. The Democratic Party believes that the American Dream should be within the reach of all people. We welcome and encourage people from all walks of life to join us in discussion and debate regardless of one's political affiliations.

NEXT MEETING

Our next club meeting will be on Tuesday, February 26th at 7:00 pm in the Alpine Escrow conference room in Blue Jay.

The Glen Thompson Memorial Scholarship

Our student recipient has completing her project!. Mollie talked to the appropriate people at our three elementary schools to determine what material items their schools would best benefit from. Working with members of our Board, she then found the best places to purchase these items and have them delivered. Mollie then separated the items and made decorative boxes for each of the schools, complete with ribbons and cute cards that were school specific. When all this was done, she arranged delivery times, all on the same day, and invited the Board to join her in the conclusion of her project: the delivery of the gifts. The press was notified and President Mickey and Secretary Keith met Mollie at the appropriate times and places. All three schools were very appreciative of Mollie's work and assured us that their students, our mountain elementary students, would benefit from the fruits of Mollie's labor. Here are some pictures from the schools:

Charles Hoffman Elementary Principal Humphries, Molli, and Mickey

Students at our three elementary schools will benefit greatly from Molli's project. A community service project made possible by donations from our members to the Glen Thompson Memorial Scholarship.

Unless someone like you cares an awful lot, nothing is going to get better. It's not.
