

Democratic Clubs,

Join us for our 1st Virtual Fundraiser - Sat, Apr 10th @ 6PM

The San Bernardino County Democratic Party is committed to developing the next generation of candidates for local office. We need support for work such as recruiting and developing qualified Democrats to run for local offices. Holding seats on Water Boards, School Boards, City Councils, Board of Supervisors and more is crucial for the development of a strong bench of Democrats who can one day run for higher office. But it takes a coordinated effort to run an effective campaign for office. The San Bernardino County Democratic Party is planning to equip candidates with the campaigning and campaign management skills they need. With your support we can increase the number of Democrats elected to local office in San Bernardino County.

Show your support for the work of the San Bernardino County Democratic Party with a ticket to the "Hope Springs Ahead" Virtual Gala today!
